The **DIAMOND** **COUNTY**

The DIAMOND COUNTY

Step into a new world of family freedom with the County—the Volkswagen four-berth elevating roof Motor Caravan that presents you with the opportunity to get the very most from your leisure and yet offers a fine everyday motor car that's so easy to drive.

The County provides the key that opens the door to a new independence—a chance for all the family to share, to the full, the enjoyment of exploiting the potential of the great outdoors in a way you never thought possible.

Whether it's a day out in the countryside near home, a weekend perhaps a little farther away at one of Britain's beautiful campsites, a longer period exploring the Lake District, North Wales, Scotland, the delights of the glorious West Country or an exciting holiday anywhere in Europe—owning a Diamond County puts it all so easily within your reach.

On the Road

There you are sitting comfortably in the cab, effortlessly driving along safe in the knowledge that the children are sitting at the lounge table contentedly amusing themselves as the miles fly by. Everyone enjoying the remarkable view. Looking over all the hedges in a way that is just not possible in the family car.

When you stop, your lounge is instantly ready—just swivel the cab seats around to face inwards and your sitting room is there for your pleasure. No matter when, or where, you decide to break your journey, spaciousness and comfort are yours to enjoy right away.

At the Table

Diamond's design team have cleverly made mealtimes in the County a real pleasure. Imagine the benefit of the full standing room gained by raising the elevating roof and prepare your meal on the modern two-burner cooker with its grill and hotplate. The complete galley makes food preparation and cooking so easy.

Everything is at hand in the craftsmen made combination furniture unit which not only houses the cooker but also a two-way refrigerator, matching vitreous enamelled sink and draining board with water electrically pumped to the faucet from the County's own underfloor fresh water tank, together with lots of cupboard space for all T25 cups and pans. There's even a cutlery drawer too!

The meal is ready and the family sit and eat in comfort with plenty of room on the two separate tables, the larger one in the lounge and the smaller between the cab seats.

With mealtime over, the practical design of the County makes it simple and quick to clear away without any bother. Relax then, in the comfort of the lounge amongst the quality furniture, take in the restfulness of the upholstery and curtains, colour blended with the walls and roof trim. Let your feet rest on the wall-to-wall carpet and gaze at the countryside through glarefree tinted windows. The County lets you make the most of your well-earned leisure time.

At the End of the Day

Evening comes and as the sun goes down the all-round curtains are drawn, the lights switched on and the family experiences the relaxed atmosphere and privacy of their County, a fine quality motor caravan.

After the goodnight drink it's time to sleep. The children are soon tucked up in the double bed in their own room in the spacious elevating roof. What a good opportunity for parents to partake of a nightcap before settling in the large double bed downstairs, which is made ready with ease.

A good night's sleep is assured and in the morning the easy access to the galley makes that welcome cup of tea available with little disturbance thanks to the County's ingenious design and after breakfast the family is ready to greet another happy day.
