Presenting the all new VW AUTOCRUISER from DIAMOND RV. The first new VW for 15 years.

A most intriguing design with space for living. A large Lounge/Dinette area separated completely from the Galley which offers, fridge, large sink, hob with hot plate and grill, good work surfaces, roof storage pod and an abundance of cupboard space. Even a toilet & shower compartment with hot and cold water is provided. Two single beds are ingeniously provided leaving full access to toilet and galley, even when beds are in use.

The high quality carpet and soft interior lining together with a choice of three interior trim materials add up to give a feeling of true quality and luxury.

A complete motorhome in a parking meter sized vehicle.

Specification: chassis

- VOLKSWAGEN 1:9 water cooled 60 BHP petrol engine ● 4 speed gear box ● optional 78 BHP petrol or diesel engine ● 5 speed or automatic gear box ● VW factory paint finish range ● radial tyres
